

Position Description

Title: Instrumentation Leadhand
Reporting To: Instrumentation Supervisor
Division: Electric & Controls
Location: Nisku

Tarpon is searching for an Instrumentation Leadhand to join our team in Nisku, Alberta. The Instrumentation Leadhand must have a continual focus on safety, cost control and client satisfaction when performing the duties of this position. The Instrumentation Leadhand will also have a history of producing quality work with attention to detail to meet and exceed client needs.

Duties and Responsibilities

- Monitors costs, productivity and scheduling associated with area operations.
- Develops and maintains relationships with external suppliers, clients, internal team and Branch Manager.
- Examines new opportunities and relays information specific to the Area Manager.
- Assists with inventory control.
- Repairs and troubleshoots electrical, instrumentation and control equipment and emission monitoring instrumentation.
- Installs, calibrates, tests, troubleshoots and maintains protective relays, computers, metering, monitoring and control systems on gas turbines, generators and plant auxiliary equipment.
- Inspects and tests operation of instruments and systems to diagnose faults using pneumatic, electrical and electronic testing devices and precision measuring instruments.
- Complies with standards and procedures of the Tarpon Health and Safety Manual and Occupational Health and Safety Regulations.

Skills, Abilities and Educational Background

- Must have a current Journeyman Instrument Mechanic Ticket.
- 5+ years Instrument Mechanic experience.
- Workplace Hazardous Material Information System (WHMIS) Certification.
- Transportation of Dangerous Goods (TDG) Certification.
- Previous oil and gas experience is preferred.
- Knowledgeable in MS Office (particularly Word, Outlook and Excel).

Compensation

Tarpon offers a very attractive compensation package that includes a competitive salary, a full benefits plan that is effective on the first day of employment and a matching RRSP program. Tarpon has an open and team-oriented culture that focuses on communication, integrity, innovation and respect. Employees take pride in their work and are the single most important reason why Tarpon offers superior customer service.
