### HOW TO FIND US

Preferably enter the paved road (on map see "Enter Here"). Note - the posted speed limit for this road is 10 km/hr. You can also use 67 Avenue or 74 Avenue to access the main parking lot.

Engage your turning signal at least 150 meters before the turn off and slow your speed to alert traffic to your turn. If you are entering from the South, on 84 Street, stay in your own lane until you can safely turn.

Do not enter the assembly yard work area with your vehicle.

The posted speed limit for the gravel roads (74 Avenue, 81 Street and 67 Avenue) is 30 km/hr.
