

Position Description

Title: Apprentice & Journeyman Electricians
Reporting To: Electrician, Leadhand
Division: Electric & Controls
Location: Various

Tarpon is in search of Apprentice & Journeyman Electricians to join our team. Electricians will work on a variety of projects, based on our customers' needs. These will range from small to large projects and tasks will depend on the person's skills, abilities and level of expertise.

Skills, Abilities and Educational Background

- Journeyman Electrician or 2nd, 3rd or 4th year apprentice.
- Previous oil and gas experience is preferred.
- Proven ability to work independently.
- Excellent communications skills.
- Must be able to work well in a team environment.
- Must produce quality work with good attention to detail/accuracy to meet/exceed customer needs.
- Must be able to service deadlines and time parameters with a continual focus on safety, cost and ultimate customer satisfaction.
- Must have a basic understanding of P&ID's.

Must have own transportation as location is not accessible with public transportation.

Compensation

Tarpon offers a very attractive compensation package that includes a competitive salary and a full benefits plan that is effective on the first day of employment. Tarpon has an open and team-oriented culture that focuses on communication, integrity, innovation and respect. Employees take pride in their work and are the single most important reason why Tarpon offers superior customer service.
