

Position Description

Title: QAQC
Reporting To: Project Supervisor/QAQC Manager
Division: Electric & Controls
Location: Calgary and Edmonton, Alberta

Tarpon is searching for a QAQC Lead to join our team in Alberta. The successful candidate will be a Journeyman Electrician with relevant industrial or commercial experience. This candidate must have extensive knowledge in quality electrical installations and lockout safety when performing the duties of this position. They must also have a history of producing quality work with attention to detail to ensure that our installations meet or exceed the client's needs.

Duties and Responsibilities

- Management of Master Drawing binders, current revisions, field updates and all redlines on a daily basis.
- Assembly and delivery of turnover documents encompassing electrical and instrumentation QA documentation.
- Interface with supervisor and engineering to resolve issues with electrical installations.
- Ensure that QAQC inspections of all electrical installations are performed diligently to ensure client and CEC standards are being met.
- Responsible for all necessary forms and documentation required to safely lock down systems, safely test these systems or system components and release these systems to owner.
- Track and oversee that all of our procedures are strictly followed to ensure site personnel safety.

Skills, Abilities and Educational Background

- Journeyman Electrician, Red Seal Qualification is required.
- Minimum 5 years of experience working as an Electrician in a construction or industrial environment.
- Must have good knowledge of and ability to interpret the Canadian Electric Code.
- Ability to read electrical schematics, diagrams and blueprints.
- High voltage experience is an asset.
- Must be willing to travel.

Compensation

Tarpon offers a very attractive compensation package that includes a competitive salary and a full benefits plan that is effective on the first day of employment. Tarpon has an open and team-oriented culture that focuses on communication, integrity, innovation and respect. Employees take pride in their work and are the single most important reason why Tarpon offers superior customer service.

To Apply

To apply for this posting, e-mail your **resume and cover letter** to careers@tarponenergy.com. You can also apply by faxing or mailing your resume and cover letter (stating position title) to: Tarpon Energy Services Ltd., Suite 220, 3015 – 5 Avenue NE, Calgary, AB T2A 6T8; Fax: 403-457-3396.
