

Position Description

Title: Construction Worker
Reporting To: Construction Supervisor
Division: Structures
Location: Calgary, Alberta

Tarpon is searching for a Construction Worker to join our Structures team in Calgary, Alberta. The Construction Worker will be responsible for all facets of the construction process within the Structures division.

Duties and Responsibilities

- Participate in the construction process of the units.
- Operate tools necessary for construction.
- Ensure the quality of assembly production.
- Maintain a clean and orderly work area.
- Know, understand, and follow Tarpon's Code of Conduct and employment policies, rules and regulations.
- Complies with standards and procedures of the Tarpon Health and Safety Manual and Occupational Health and Safety Regulations.

Skills, Abilities and Educational Background

- Knowledge of various construction disciplines, safety, scheduling and quality preferred.
- Experience in assembly within a construction environment preferred.
- Ability to assume responsibility, interface and communicate with others.
- Understand and follow oral and written directions.
- Enthusiasm for challenge and new initiatives are prerequisites.
- Ability to establish and maintain cooperative working relationships with others.

Must have own transportation as location is not accessible with public transportation.

Compensation

Tarpon offers a very attractive compensation package that includes a competitive salary and a full benefits plan that is effective on the first day of employment. Tarpon has an open and team-oriented culture that focuses on communication, integrity, innovation and respect. Employees take pride in their work and are the single most important reason why Tarpon offers superior customer service.
